

## **Retail Position**

We are looking for a new team member to join us here at Southridge.

The job will offer 4-5 shifts per week. This position will be week days and one weekend shift.

This job will include till service, shelf stocking, coffee making, some food handling and helping customers get the items they want and need.

The job will become available mid-December, but we can start someone a bit sooner if necessary.

Wage can be discussed with serious candidates.

Please drop off your resume to Amanda at Southridge any day of the week or send an email to:
